To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub:- Release of 300 acres of land in Tylur State Forest, Kanakapur Taluk, in favour of the Bapuji Raitha Jamdaya Sangha.

According to G.O.No. AFD 233 FGL 59 dated 28-10-1959 which was subsequently modified in G.O. No. AFD 233 FGL 59 dated 25-6-1960, Government have ordered the disforestment of 300 acres of land in Tylur State Forest, Kanakapur Taluk. The area was handed over to the Revenue Department on 6-8-1961. As some descrepency was observed while handing over the area, the same was jointly surveyed by the Revenue and Forest Surveyors and the area actually handed over found to be 280 acres. In this connection a copy of letter No. M2-G1-937(240-719)/59-60 dated 26-8-63 from the Conservator of Forests, Bellary Circle along with its accompaniments is enclosed for perusal. It can be seen that an area of 20 acres adjoining 280 acres referred to above is available outside the State Forest. Hence as recommended by the Conservator of Forests, amended orders may please be issued for the release of 280 acres only out of Tylur State Forest. Instructions are being issued to the Conservator of Forests to submit draft disforestment notification inrespect of 280 acres only.

The sketch of the area may please be returned when done with.

To.

The Conservator of Forests,
Bellary circle, Bellary.

Sir,

Sub;- Disafforestment of 300 acres of land in Tylur S.F. Channapatna Range. in favour of the Bapuji Raitha Janodaya sangha.

Ref;- Chief Conservator of Forests, No.B3- 103-890/59-60 dt. 2-9-62.

With reference to the above, I have to state that an area of 300 acres out of Tylur S.F. of Channapatna Range has been ordered to be released to Revenue Department for granting the same in favour of Bapuji Raitha janodaya Sangha as per G.O.NO. AFD. 233. FGL. 59/dt. 25-6-60.

This area has been handed over to the Revenue Department on 6-8-61 by the Range Forest Officer, Channapatna vide para 5 of the G.O.

Whilehanding over this area, the Revenue Inspector and the Range officer, Channapatna observed that the sketch prepared by the Working Plan, Forest Surveyor, does not tally with the actual area on the spot as verified. The Range officer, Channapatna reported in No. 315/dt. 10-8-61 that in view of the above differeness it is not possible to prepare the draft notification and requested for joint survey of the area both by working plan Forest Surveyor and the Revenue Surveyor.

On 19-7-1962, Joint survey was conducted by the Forest Surveyor and Revenue Surveyor in presence of the Range officer, Channapatna. The copy of the letter received from the Divisional Forest Officer, working plans in No. 676/dt. 28-8-62 along with the sketch is enclosed herewith for kind perusal.

In the circumstances reported by the Divisional Forest Officer, Working plans, I solicit kind orders to submit the disafforestation proposals only for 280 acres as only 280 acres is inside the Tylur S.F. as per recent joint Survey map.

Yours faithfully,

(M.J.Mascarenhas)

Ref:- Your No. 385/62-63/dt. 15-6-62.

I enclose herewith the report submitted by the Forest and Revenue Surveyor, and the sketch of Tylur S.F. showing the area of 300 acres to be released. Joint survey was conducted on 19-7-62 by the Forest Surveyor and Revenue Surveyor in the presence of the Range Forest Officer, Channapatna. As per report of the surveyors it is not desirable to grant any more land in the north of halla which would lead for encroachments in future and there are plantations on the western side of the released area. Hence the party may be directed to approach the Revenue authorities for sanction of 20 acres of land out of District Forest.

However, I shall leave it to your discretion inthe above matter. Please acknowledge the receipt of the sketch.

Sir,

Sub:- Grant of alternative lands available

I, the secretary, B.C.Muddumadappa, Bapuji Raitha Janodaya Sangha, beg to respectfully state the following for your sympathetic consideration and kind orders thereon.

1. That the benign government has granted 300 acres of waste lands in the Thailur State Forest, Kanakapura Taluk (Sathnoor Hobli) some four years ago in 1959 vide G.O. AFD.233 dt. 29/4/59.

2. That 120 families have already gone to the site and have begun cultivation earnestly and the biggest hurdle for them is that out of 300 acres of land granted as above, only 200 acres have been made cultivable and the 100 acres being very hilly regged and uneven, could not be brought under cultivation in spite of the best efforts of the Sangha and its members.

3. That this has caused the members of the colony ~~much~~ economic hardships and their living instead of becoming prospective, and prosperous, the living conditions have become retorgade and difficult.

4. That it is highly necessary and essential that to live on hand-to-mouth existence, a family requires the minimum 3 acres each and with that prospective idea, the members have gone there and constructing their houses they are residing there facing all sorts of difficulties as they have to actually wage wars against wild animals at the cost of their lives.

It is therefore humbly requested that just to balance the land extents and get each family at least 3 acres of lands, the benign government may be pleased to grant the balance 100 acres out of the land

available in continuity of this lands and thus help the colonial ryots to manage themselves comfortably and economically in their individual interests and in the interest of government as well and above all in the interest of progressive food productions.

I earnestly hope and trust that our progressive government will very appreciatively consider and pass early orders approving the plan and thus enlist the ever lasting gratitude of the poor ryots who have been the members of the above Sangha.

Awaiting early and favourable endorsement.

Further he has stated that the Secretary has now requested for grant of 100 acres of cultivable forest land, as only 200 acres of land granted as stated above could be utilised by the grantees out of 300 acres, since the area of 100 acres being hilly and uneven, not fit for cultivation etc. The Divisional Forest Officer has also pointed out that ~~no~~ cultivable forest ~~no~~ land is available in Taylur S.F. for exchange as requested by the petitioner.

Under the above circumstances I agree with the views of the Divisional Forest Officer and recommend that the request of the petitioner may kindly be REJECTED.
